A separate TG Form 23 is to be completed for each medical condition to be declared.

Condition Declared:

Medication(s)

| Name | Dosage & Frequency | Storage Requirements |
|-------------|-------------------------------|-----------------------------|
| | | |

How are you affected by the condition during normal routine activities:

How are you affected by the condition during strenuous activities:

Have you sought advice from a healthcare professional about your condition in relation to this activity?

If Yes, give details of advice given:

Additional information / comments regarding the management of your condition:

Declaration

I fully understand that the activities may be strenuous and conducted in environmental conditions such as dust, fumes, extremes of temperature and altitudes that may aggravate my condition. I confirm that I have consulted a healthcare professional if there is any doubt regarding my suitability of the activity or my fitness / ability to take part in the activity.

Should there be any change in my condition after signing this declaration, I will inform the office in charge of the activity prior to travelling to the activity.

If travelling overseas: I understand that I must give full details of any conditions for which I have been treated in the preceding twelve months of any overseas activities.
